To all graduates of "Leadership Sylacauga":

Hello, this is Mike Landers, President of Sylacauga's Chamber of Commerce. I would like to commend each of you for completion of the "Leadership Sylacauga" curriculum. I, along with Dr. Ted Spears, are strong in our belief that these leadership training classes are so important not only to the growth and future of Sylacauga, but to your personal growth and success. So, in that regard, job well done.

As some of you know, whether you are a this years graduate, or a graduate of a past class - recent or not so recent - "Leadership Sylacauga" has given you knowledge and insight that will be important throughout your life. I said at the recent "Leadership Sylacauga" graduation that "leadership" is also "stewardship". And, with that thought, I want to join Dr. Spears, and Dale Price, Leadership Alumni President, and encourage you to join and support the "Leadership Alumni" group. It is a small investment of \$25.00 per year and allows you to continue to build on that commitment to your personal growth and that of our City. "Leadership Sylacauga" is an extremely valuable program of the Chamber of Commerce. So too is the "Leadership Alumni" group.

Please contact Dale Price and join the "Leadership Alumni" in their efforts to improve and perpetuate this fine program. And, thank you for your participation in our program. And, for your convenience, an application for membership is enclosed. Join the alumni today and continue your support of this fine program.

Regards,

Mike Landers, President

Sylacauga Chamber of Commerce
